ABOUT ME

I'm Ashleigh and thank you so much for considering me to be your bridal stylist!

With 10 years of industry experience in salon, I found my passion for bridal styling about 7 years ago when a very close friend asked me to be involved in her special day and do her bridal glam.

From then on I've grown my skill and knowledge over the years and I feel I'm able to bring a special touch to your wedding morning and a great vibe as well to make your wedding morning the best it can be!

TESTIMONIALS

"Ashleigh was my hair and makeup artist for my wedding. She did an amazing job of understanding the brief and how I wanted to look on the day and she absolutely pulled it off. I felt amazing and it also photographed amazingly."

"I can not recommend Ashleigh enough to anyone looking for bridal hair or makeup or both. She is bubbly, calming and super efficient. She did myself, 5 Bridesmaids and my mum and made us all look absolutely perfect! There is no other person i would put my trust in for one of the most important parts of your day."

"Ashleigh was my wedding hairstylist and this woman is amazing. She was so professional, bubbly and down to earth, I would highly recommend her!"

Having Ash apart of our wedding day was one of the best decisions! not only is she seriously good at hair and make my stubborn hair hold a curl for the entire day, she had such a chill, calm energy about her which definitely helped set the tone for the day! It was like having an extra bestie with us for the morning !
